Re: Brooklyn School Wall

Dear Mr. James E. Sawyer, CFO,

I am sending this letter to let you know what a great company you were to deal with on the Brooklyn School Wall Project. Everyone from the top, when we were negotiating to close the gap in the flawed gym floor design, to Ken, in his overseeing of the project were very professional and a pleasure to work with. The contractors doing the work were excellent also. Communications were always open and the willingness to work to a solution was excellent also.

Everyone went beyond what was required and you can take pride, as we do, in the finished project. If you ever need a reference for any future project, please feel free to contact us.

Respectfully,

*Austin Tanner*
